

Ecosystem Planning and Restoration, LLC, (EPR) has an open position for a full-time **Environmental Specialist** in our Columbia, MD office. EPR specializes in ecosystem restoration and mitigation, environmental studies, permitting, and water quality improvement projects. We are a growing firm devoted to providing exceptional quality to our clients, and an exciting and diverse workplace for our staff. In 2017, EPR was ranked #508 on Inc. 5000's list of the fastest growing companies in the US, and also was rated the #1 Environmental Firm to Work For by Zweig White in 2017 and 3rd in 2018.

Qualified Environmental Specialist candidates will hold a four-year degree related to their profession. Degrees of interest include Environmental Science, Ecology, Hydrology, Geology, Geomorphology, Landscape Architecture, Biology, Forestry or related field. Preferred candidates will have at least 3 to 5 years direct experience in ecosystem restoration and mitigation projects, stream, wetland and forest surveys and assessments, environmental permitting, delineation of jurisdictional waters, and/or environmental field assessments. Experience should include field data collection, processing of stream, wetland and forest data, stream, wetland and forest restoration design, stormwater BMP design, report writing, and good computer skills. Preferred candidates will be self-motivated, be able to show detailed experience working on a wide variety of environmental projects, work well in a team setting, and have the ability to travel periodically. Duties will include working with project managers and other technical staff to assist with environmental projects.

Benefits include health insurance, 401K with company match, employee bonus plan, vacation and sick leave, and continuing education training. Salary commensurate with experience and abilities. Please Send Resume and Cover Letter to:

Mr. Richard Starr, 8808 Centre Park Drive, Suite 205, Columbia, MD 21045 or via email to rstarr@eprusa.net.

EPR also have job opportunities at their three other offices in Dallas, TX; Huston, TX; and Raleigh, NC. Please follow this link for additional information: <http://www.eprusa.net/careers/>
